I urge you to implement aggressive means to prevent the spread of Asian carp into the Great Lakes. Born and raised in Michigan, the Great Lakes' welfare is important to me and my family. As a working artist much of my work is about alien species as they impact the ecosystem of the Great Lakes. For practical fiscal, ecological and emotional reasons I have demonstrated my commitment to the Great Lakes by contributing to The Alliance for the Great Lakes. Please act swiftly to impact the Alien carp threat.
